Family Foundation

History and Mission

On May 29th, 2009 the Focal Pointe family lost a dear friend and team leader, Cindy Amos, in a car accident on her way to work.

Professionally, Cindy was an absolute All Star. Her humble, grateful philosophy, and strong work ethic, embodied the ideals of Focal Pointe. By example, Cindy quietly helped build a culture of service throughout the organization and had a strong voice in our vision of being a company that gave back to the community.

At home, Cindy left behind her two best friends - husband Ron, and their teenage daughter Ashley. Our grief at Focal Pointe was compounded by our awareness of the loss that Ron and Ashley were facing.

Our sympathy for Ron and Ashley, combined with Cindy's philosophy toward community service was the push we needed to begin the Focal Pointe Charity Golf Tournament. It is in honor of her spirit and the special relationship she had with Ashley, our first beneficiary, that we continue the tournament annually to benefit children, and their families, who are in need of financial and emotional support.

Thank you,
John E. Munie
President

SPECIAL THANKS
from Past Recipients

I am forever indebted to Focal Pointe for affording me the opportunity to spend valuable time to care for my children while adapting and navigating my new role as a single mother and widow. After the unexpected passing of my husband your generosity lessened my financial stress and allowed me to care for my family without the additional stress of missing work. I am forever grateful for the kindness and generosity and will strive to continually pay it forward.

Jessica Bell - 2017

(special thanks continued)

“We are so incredibly thankful to everyone who supported the Focal Pointe Charity Golf Tournament. Through your generosity and kindness, you gave our family the gift of time and peace. Our spunky six-year old son was diagnosed with Nontuberculous Myco-bacteria (NTM), which is a bacteria that is found in the environment. Given the fact that Jack has Cystic Fibrosis, NTM quickly and permanently damaged his lungs. Jack was immediately put in the hospital, port placed in his chest and g-tube in his tummy and our lives forever changed. We were told to spend as much time as we could with our son – go on vacations, make memories. With our large medical bills and ongoing monthly prescription bills, we wouldn’t have been able to spend this time together as a family without your help. I know many of you may just show up because it is a great excuse to play golf, but I am telling you...you make a difference and lives are changed because of it. Our family will never forget the kindness shown to us in our darkest days.”

With love – The Jack Burke Family - 2017

I just wanted to let you know how thankful we are for your charity. Having Focal Pointe pay for my children’s daycare for over a year has saved me from many obstacles that I would’ve had to overcome, along with dealing with the loss of my husband, and bringing a new baby into the picture. Thank you again for everything!
