

HISTORY & MISSION

On May 29th, 2009 the Focal Pointe family lost a dear friend and team leader, Cindy Amos, in a car accident on her way to work.

Professionally, Cindy was an absolute All Star. Her humble, grateful philosophy, and strong work ethic, embodied the ideals of Focal Pointe. By example, Cindy quietly helped build a culture of service throughout the organization and had a strong voice in our vision of being a company that gave back to the community.

At home, Cindy left behind her two best friends - husband Ron, and their teenage daughter Ashley. Our grief at Focal Pointe was compounded by our awareness of the loss that Ron and Ashley were facing.

Our sympathy for Ron and Ashley, combined with Cindy's philosophy toward community service was the push we needed to begin the Focal Pointe Charity Golf Tournament. It is in honor of her spirit and the special relationship she had with Ashley, our first beneficiary, that we continue the tournament annually to benefit children, and their families, who are in need of financial and emotional support.

Thank you,

John E. Munie

SPECIAL THANKS from past recipients

Our family would like to offer thanks for the support you have given us. At the beginning of this year, my wife's mother was rushed to the hospital with life threatening conditions. She sadly did not make it through. While our family was at the hospital awaiting news from the doctors, my wife suffered from a massive stroke. Through the power of prayer, Focal Pointe heard of our situation and offered assistance. Removing the burden of worrying about hospital bills took a huge weight away from us. Thank you so much for allowing us to focus on healing and mourning the loss of a loved one. The generosity all of you show with helping families during trying times is amazing. We look forward to doing the same in the future.

*Forever grateful,
The Smothers Family - 2024*

In January 2020, our world was turned upside down by the sudden and tragic loss of our son, Dylan. Dylan was 18 years old, studying graphic design at SWIC, had an amazing sense of humor, and was a loving son and brother. The days, weeks, and months following were hard on many different levels...grieving our son while also continuing to be strong parents for our daughter... trying to mend our broken hearts. The Family Foundation lessened that heavy load by providing financial assistance for funeral expenses and grief counseling. This kindness will never be forgotten.

*With love, gratitude and thanks,
The Hummel Family - 2020*

I just wanted to let you know how thankful we are for your charity. Having Focal Pointe pay for my children's daycare for over a year has saved me from many obstacles that I would have had to overcome, along with dealing with the loss of my husband, and bringing a new baby into the picture. Thank you again for everything!
